Wakoklon Heelel Thilel Salai Ama-ilon Pukok Puya

[illegible]

'Please know for certain that this Puya was transcribed during the time of Ningthem Pamheipa. By the time of Pamheiba Ningthem, this book was 3107 years (Maliyapham Palcha year) old. The transcription started on the first day of the year and took 15 days to complete on the full moon day of Wakching. As the book should not be lost. I, Chaopa transcribed it. Please know for certain that this book is a Puya of the origin of each and every eenung and khunung scripts.'

-Chaopa, The man who protected the essence of Meetei from being incinerated.
